### Superintendent's Highlights

The district is on the fifth year of a long range planning process that has included an education summit, an operations and management review, and the development of a mission, goals, objectives and school site improvement plans. Each spring every site's improvement plan progress report is presented to the Board of Trustees along with plans for the following year. The district will continue to address continuous quality improvement throughout the educational process.

### Progress Towards Meeting District Goals

1998-99 Goals	Progress
To provide a safe and caring environment for students, employees and community members.	Substantial progress is being made on all goals.

To develop and maintain a curriculum which will challenge and meet the needs of all students.

To challenge all students to achieve at their highest level and become independent lifelong learners.

To acquire and efficiently manage fiscal and human resources that will implement the goals and objectives of the strategic plan.

To provide facilities that will enhance present and future educational programs and endeavors.

To increase parent, community and business involvement in the education process

To provide a comprehensive employee and community communication system.
